BIF New York showcases internationally renowned furniture products and has been an industry leader for the past few decades. With a myriad of international and national awards in its possession, BIF New York has been setting the standard in design, quality, workmanship and customer satisfaction. All of our furniture products and accessories are designed and manufactured with the utmost care to meet the needs of varying settings. Construction is done with the best quality materials and state-of-the-art machinery to provide stylish durability and longevity. BIF New York has been a trusted government office furniture provider for the last 12 years. We continue to provide excellent coverage, competitive price and unsurpassed customer service to provide the best quality and service around. We provide services and shipping to the continental US and most international locales.
